Julie, that's good news. It should help significantly. Also Stacey has completed her training and passed her written and practical exams. I hope to have her begin testing samples Thursday. She needs to be appointed an Assistant Analyst by the Commissioner. I will bring over an old copy of an appointment letter and he can post date it 5/07/2009. I'll also drop of the AG's report for your signature. CBS

FYI - the attached letter went out to all DAs, MDAA and MCOPA today. Let's figure out a way to expedite returning these samples back to police.
